Health Guarantee: Your puppy will have a vet exam prior to being shipped and come with a health certificate. We give a six month guarantee on congenital heart, lung, and eye problems. you must agree to have your puppy examined by a licensed vet within twenty-four hours of first business day after receiving the puppy. The exam must show proof of good health and you must e-mail the health certificate to me (breeder) as proof of exam and AKC paper will be mailed once we received the vet report. If puppy becomes ill prior to the first working day, I (the buyer) agree to seek emergency vet care and contact breeder immediately and present breeder checked statement from vet if he finds puppy to have any congenital defects or terminal illness. The breeder reserves the right to have puppy examined by their own vet for a second opinion in which breeder's veterinarian's findings will prevail. If the puppy is found to have congenital defect (kidney, heart, lung) a replacement puppy to equal value will be given if available. If there is no replacement puppy available, a 100% refund will be given provided that the breeder is contacted immediately and puppy is promptly returned to breeder. All transportation fees in the event of a replacement are the responsibility of the buyer. Seller is not responsible for death due to transportation of animal.

Buyer must notify seller before selling or placing puppy into a new home. Seller has first right to buy back puppy dog that has full registration papers. This doesn't include shipping cost. At no time will puppy be sold to another breeders home without prior approval and written consent from Joelle's Chihuahuas. If buyer sells puppy without written consent, buyer will incur a \$1,000 penalty. There will be no refunds due to in compatibility, allergies or landlord disputes. Please call me if you have any problems.

I do not guarantee color, size, fertility or ability to be placed in the show ring, as there is no way of guaranteeing these things because other factors may influence them.

This agreement is a legal instrument and buyer agrees he/she has read and understands this agreement and no other guarantee or warranties have been made either expressed or implied by breeder/seller.
